

# Reflection Sheet

Name: .....

Percentage in the test: .....

I know this.

I need to revise this.

Question in the test:

Correct in the test?

I know how to find the <b>next number</b> in a <b>number sequence</b> .			1	
I know how to explain, <b>in words</b> , how to find the next number in a number sequence.			2	
I know how to form a number sequence from a <b>series of pictures</b> .			3	
I know how to use a <b>number machine</b> .			4	
I know how to draw the <b>reverse</b> of a number machine.			4	
I can form <b>algebraic expressions</b> .			5	
I can write the <b>output of a number machine</b> if the input is a variable such as $x$ .			4	
I can <b>substitute</b> values into an algebraic expression.			6	
I can use a mathematical <b>formula</b> .			7	
I can <b>collect like terms</b> using one variable.			8	
I can <b>collect like terms</b> using more than one variable.			8	
I can <b>solve simple equations</b> .			9	
I can solve more complex equations using either the <b>balancing method</b> or the <b>jumping method</b> .			10	
I can <b>form a mathematical equation</b> and solve it.			11	

**Am I ready for the test?  
Tick the boxes below...**

I have revised the work in my mathematics book.

I have revised the workbook.

I have watched the relevant videos on YouTube.

I have completed the Diagnostic Questions quiz.

I have completed at least 4 pages in my revision book.
