

Evaluation

Name:

Percentage in the test:

	I know this. 	I need to revise this. 	Question in the test:	Correct in the test?
I know how to measure the gradient of a line.			1, 5	
I know how to draw a line with a specific gradient .			1	
I know how to draw a straight line of the form $x = a$.			3	
Given a vertical line on graph paper, I can write an equation for the line in the form $x = a$.			5	
I know how to draw a straight line of the form $y = b$.			3	
Given a horizontal line on graph paper, I can write an equation for the line in the form $y = b$.			5	
I know the meaning of the symbols m and c in the equation $y = mx + c$.			5	
I know how to draw a straight line of the form $y = mx + c$.			3, 4	
Given a straight line on graph paper, I know how to write an equation for the line in the form $y = mx + c$.			5	
I know how to solve simultaneous equations graphically .			8	
I can solve problems involving plotting and interpreting straight lines.			7	
I know the condition for two lines to be parallel .			5	
I know the condition for two lines to be perpendicular .			2, 5	
I can reflect shapes in the lines $x = a$ or $y = b$.			6	
I can reflect shapes in the lines $y = x$ or $y = -x$.			6	
I can describe the reflection that transforms one shape to another shape.			6
