

Reflection Sheet

Name:

Percentage in the test:

	I know this. 	I need to revise this. 	Question in the test	Correct in the test?
I know how to find the upper and lower bounds of a measurement.			1, 2, 3, 9, 10	
I know how to interpret measurements that are given using the symbol \pm , for example 32 cm \pm 0.5 cm.			3	
I can use upper and lower bounds to solve problems in context .			2, 3, 9, 10	
I know how to write answers to an appropriate degree of accuracy .			4, 10	
I can use the formulae that are associated with the compound measure speed .			6	
I can use the formulae that are associated with the compound measure population density .			5	
I can use the formulae that are associated with the compound measure density .			7	
I am aware of how to work with other compound measures .			8, 9
