

Name:

Percentage in the test:

	I know this. 	I need to revise this. 	Question in the test:	Correct in the test?
I know how to write the probability of an event as a fraction .			4, 5, 6, 9	
I know how to answer questions involving probability that use a standard deck of playing cards .			6	
I know how to calculate the probability that an event will not happen .			6	
I know how to draw a sample space diagram for combined events .			7	
In a question on probability, I know how to calculate the expected frequency .			7	
I know how to calculate the median of a data set.			1, 9	
I know how to calculate the median of data given in the form of a table .			2	
I know how to compare two distributions using the median.			1	
I know how to calculate the median class for grouped data.			8, 9	
I know how to calculate the interquartile range of a data set.			3, 9	
I know how to complete a cumulative frequency table for different types of data .			10	
I know how to draw a cumulative frequency diagram .			10	
I know how to estimate the median or the interquartile range using a cumulative frequency diagram.			10	
I know how to interpret a cumulative frequency diagram.			10
